EXPERIENCE

SDE Intern
Desi QnA

📅 May 2023 – July 2023   📍 Mumbai, Maharastra

- **Collaborated** on the **design and development** of a fully **responsive web page** for a specific section of Desi QnA, resulting in a 20% increase in user engagement.
- Addressed user **verification and authentication** challenges through the implementation of advanced detection and removal techniques, resulting in a remarkable 30% reduction in spam content. This proactive approach reinforced platform authenticity and bolstered user trust.
- Integrated **ReCAPTCHA** with the website, reducing the number of security breaches to zero during the internship.

TECHNICAL SKILLS

- **Programming Languages**
  - **Java**
  - **JavaScript**
- **Frameworks & Libraries**
  - **MongoDB,ExpressJs**, **ReactJs**, **NodeJs**,
  - **Firebase** , **MySQL**, **Spring Boot**
- **Web Technologies**
  - **HTML**, **CSS**, **Bootstrap**
- **Version Control**
  - **Git**
  - **Github**
  - **Netlify**

ACHIEVEMENTS

- Solved more than 500+ problems on many coding platforms.
- Secured a spot as a **Semi-Finalist** in the Code Gladiators **Hackathon**, competing against 500+ participants.
- Impressed in the **JAVA Full Stack** Challenge, achieving a ranking of 178out of 1,500+ participants.

COURSE WORK

- **Data Structure and Algorithm**
- **Object Oriented Programming**
- **Database Management System**
- **Operating System**
- **Computer Networks**

EDUCATION

B.Tech. - 8.2 CGPA
Ujjain Engineering College

📅 2019 – 2023   📍 Ujjain, (M.P.)

Higher Secondary - 80.9%
Bhartiya Gyanpeeth Hr. Sec. School

📅 2019   📍 Ujjain, (M.P.)

PROJECTS

Portfolio
- **React | Iconscout | Framer Motion | Swiper**
- Developed a sleek and **responsive** portfolio website using **React**, showcasing a dynamic and user-friendly interface.
- Implemented the **useState** hook to manage state, enhancing the interactive elements of the portfolio.
- Utilized the **useContext** hook to seamlessly toggle between dark and light themes, providing users with a personalized experience.
- Integrated **Swiper.js** for a touch-friendly slider, enabling an intuitive and interactive presentation of projects or content.
- Incorporated **Framer Motion** library to introduce smooth and eye-catching animations, creating a visually engaging user experience.

Travel
- **React| Hooks | Aos**
- Designed and implemented a visually engaging user interface with ReactJS, utilizing the power of React Hooks for efficient state management.
- Incorporated the AOS library to create smooth and eye-catching animations, enhancing the user experience.
- Achieved optimal site performance by hosting the website on Netlify, ensuring fast loading times and seamless navigation for visitors.

Expenser
- **React | Hooks | Redux**
- Devoted substantial effort to ensure the app's functionality, user-friendliness, and cross-device accessibility. This project yielded remarkable results:
- Developed a responsive and intuitive personal finance management app, resulting in an outstanding 25% increase in user retention. The improved design and seamless user experience significantly contributed to this achievement.
